NO 115

Newport Daily News

GENERAL ASSEMBLY. January Session.

Papers were received from the House and disposed of as by reference to the appropriate committees.

Sundry petitions for amendment of the Clarter of the city of Providence with accompanying resolutions received from the Hause, were extred to the Committee on Companying Corporations.

Mr. Bayley, for the Committee on State Property, reported back the resolution for constructing a sidewalk on the west side of

he Jail lot in Newport, which was concur-Mr. Randall offered a resolution for the appointment of a committee to procure room for the Supreme Court and Court of Common Pleas in Providence county whenever

the State House is otherwise occupied, which was on motion laid on the table. Mr. Randall offered a resolution which passed appointing a committee to inquire as to the feasibility, &c., of building a new

State House.

State House.

The following Senators were appointed as that committee by the Governor, the Secretary of State being added by the resolution: Messrs. Fairbrother, Peckham, Clark, Knowles Greene, Radman and Randall.

His Excellency the Governor communicated the pardon as d restoration of William A. Barker, and a resolution was passed advising and consenting thereto, as was also a special resolution restoring him to the right to vote.

The Senate then adjourned. HOUSE.

HOUSE.

The Committee on the Militia reported back the act in amendment of Titlo XXXIV of the Revised Statutes, repealing Chap. 240, thereby cutting off the per diem allownice of the militia, recommending its pas-

sage.

The bill was debated at length, Messra.
Perry, Manchester, and Sounders advocating its passage while it was opposed by
Messra. Butler, Green, Johnston, Anthony,
and Sheffield. It was allowed to lie on the Resolution allowing certain accounts was

passed in concurrence.

An act establishing a lien upon vessels in

certain cases, was reported from the Judi-ciary Committee, amended and passed. Mr. S. B. Wheaton for the selvet committee on the petition in relation to the estate of Alexia Teste reported resolutions which passed, providing that the General Treasur er shall receive possession of said estate for the city of Providence, and for the appoint-ment of a committee to accertain how much, if anything, is due the State from the city on said estate.

An act to amend Chapter 19, of the Sectetary of State, and Chapters [6] and 108, to the Judiciary and officers, of the Revised Statutes, allowing the Secretary to adminter oaths and affirmations, was read and

Act to Chapter 130 of the Statutes, of Railroad corporations was read and passed under a suspension of rules. Act to amend Chapter 200 of the Stat-

ites of the relief of the insolvents was pass-Mr. S. B. Wheaton called up the resolu-

tion establishing and supporting a School of Design, and opposed its passage. Mr. Bennett advocated the resolution.

The resolution was finally presponed to the May Session by a vote of 34 to 23.

Mr. Spandding presented the petition of Orin A. Ballou and others for a charter, which was continued to the May Session. Mr. Van Zamit for the Judiciary Commit-

Mr. Van Zamit for the Judiciary Committee reported back on act in relative to Titly XIV, providing against the hundar, of rabibits and hares by the one of ferrets, which was read and passed to a second reading. The petition of J. B. G. F. Gorand was continued to next session.

The committee on the engrossment of public acts reported resolutions, which was allowed to lie on the table.

The Committee on the Judiciary reported.

The Committee on the Judiciary reported an act to amond Chapter 230 of the Stat-utes of fees and costs, which was read and passed to a second reading.

THURTY-PIPPH CONGRESS. SENATE.

Washington, Wednesday, March 3. Mr. HAMMOND, of South Carolina, in-Mr. HAMMOND, of South Carafira, in-traduced a joint resolution authorizing the Secretary of the Navy to pay the officers' and soumm of the expedition in search of Dr. Knoe, under Capt. Hursteine, at the same rate as has been allowed to the officers and seamen of Lieut. De. Haven's expedition. The special assignment, being the bill for

the admission of Kansas under the Le-comptan constitution, was taken up.

Mr. Szward said that the question of slavery in the Federal terr tories, which are the nurseries of future states, independently of all its moral and humane elements, inof all its moral and normine exema as, or volens a dynastical struggle of two antagonistical systems, the libor of slaves, and the labor of freemen, for ma-tery in the Federal Union.

One of these systems partakes of an

aristocratic character, the other is purely democratic. Each one of the existing States has staked, or it will ultimately stake, not only its internal welfare, but also series, not only as interval website, not asso by indicates in the federal conjuent, on the decision of that contest. Such a structule is not to be arrested, quelled, or reconciled by temp greaty expedients or con-non-new state is not necessarily and an experience of the admission of a new state is not necessarily as the contest.

essaily or even enstomarily attended by lead-arrissments or alarms. We have already addited eighteen new states without erious com notions, except in the cases of Miss or, Texas and Culifornia.

We are even now admitting two others, Minutes ita and Oregon; and these transacgo on so smoothly that only close observers are aware, that we are thus onesolidating our dominion, on the shores of ice Superior, and almost at the gates of

It is in without that the apprehended diffidies in the present case, have some relather to the disante, concerning Slivery

which is raging in the territory of K myss. Yet it must be rem inhered that mine of the new states which have been admitted, expressly established slavery or tolerated it and time of them forbule by The exciteto state refere is due to peculiar election state of the thought there were three of

Dr. Wickman, and his Pupils, will give | founting." And the Court call the Presideat alike for got that judicial assurpation is note odious and intobrable than any other

among the manifold practices of tyranny. Harag traced sup by steathe history of K massaftars, Mr. Seward gave a con-cise account of the national intervention in the territories, in favor of slave labor and share cates since 1820, adding. "No wonder that the question before as excites ap-preliension and about "There is at best a North side of this Chris-

or bension and abarm."

There is a first a North side of this Chrimber, a North side of the Chrisber of Representatives, a North side of the Unionys well as a South side of all there. Each of them is much fully above and resolute.

If it has true, as has so often been asserted that this Union energy survival the decision. In Course, of a description invalving invalving and investigation invalving.

by Congress of a direct question involving the all arion of a free state into this Union, which will establish the ascendency of free suc-s under the constitution, and draw after coration of the inflicence of feedom in the domestic and foreign caralust of the Government, then the dry of dissolution is nt hand.
The Sugrame Court of the United States

attenties to command the prople of the United States to accept the principles that one municum own other men, and that they must enough to the lariolability of that lates

m of grava to the randominary of that take in all percisions property.

The people of the United States never sea, and they never will, accept principles so acconstitutional and so abhorrean. Never

Let the Court recede. Whether it recede or not, we shall reorganise the Court and thus reform its political continuous and proceeds, and being them into harmony with the constitution and with the laws of

In doing so we shall not only assume our own just authority, but we shall restore that nib had itself to the high position it ought to majorajo, since so many fundicarable rights of citiz us and even of stares, themselves depend upon its impartiality and its

If you, (Mr. Seward said) attempt to govee Kansas into the Union under the territory will resort to civil war if necessary You are pledged to put down that revolu-tion by the sword.

Caxion, Part IX, People I have never met. Will the people listen to your voice amid Lord St. Leonard's Hand Book on Property the Panchers of your cumon? Let hat ty haw, Zuzibar, and two menths in East one drop of the Mood of a free citizen be thed there by the federal army and the countenance of every representative of a free state, in either House of Cangress will blanch and his tongue will refuse to utter the vote necessary to sustain the army in the butchery of his fellow citizens.

All parties in this country that have tolerated the extension of slavery, except

one has perished for that error already, that last one, the Democratic party is harrying or irretrievably towards the same fate. A jet deeper and darker, is still apun-ing to receive this administration, because a many deeply than its predecessors."

Mr. Seward in closing his elaborate speech said. I have always believed Mr. President that this glorious Federal con-sitution of our is adapted to incloudable expansion of the Empire, which I have so feebly presented.

"It has been perverted often by miscon-struction, and it has yet to be perverted many times and widely hereafter; but it has such inherent strength and vigor that it will cast off all the webs which the over charging interests of classes may weave around it.

"If it fail us now, it will however not be our fault, but hecause an inevitable crisis, is to be encountered by a constitution proved

in that case to be inadequate to the trial.

"I am sure that no patriot, who views the subject as I do, could with to evade or delay the trial. By delays we could only extend slavery at the most throughout the At aris regions of the continent?
The Parity slope is tree, and it always and and will be free. The mountain bar-

ries that separate us from that portion of our empire, are quite enough to divide us too widely, possibly to alienate us too

"Let us only become all sliveholding states on this side of those lovelers while only free states are organised and perpetuated on the other side, and then unleed there will come a division of the great American family into two rations equally an injure for complete control over the Continent, and a conflict between them, over which the world will mean, as the greatest and last to be retrieved of all the cal mitties that have ever befallen the larman

Fact House resemble the consideration of The Honer resumed the genealeration of the resolutions from the Senate, authorizing the Provident to appoint any others of fected by the author of the investigating heigh to their former positions. Mr. Whiteley (Deli) argued in fiver of

the rest of the severely criticising the autient of the Noval Band.

Mr. Berra, (Va.) or posed the abouting of the cestlations, contenting that the pro-cessings of the Board of Lighty were just. to be the worth the large states we already the and the counts designed were reversed, the counts designed with a special way of the stage of the large states were now that a stage of the large states are now that a stage of the large stage

LOTTERIES.

LOTTERIES.—The lotteries of Samuel Swan & Un, are chartered by the State if Gorgia, and have swon commissioners appointed to superintend their drawings, and critify that everything connected with the same is done in a steintly homeatellementer, and their opportunity for investment, the interests of parties at a distance being as well protected as though they were present. The managers would respectfully call attention to the fact that all persons have a legal right to send orders for trickets to tiergia, as the lotteries of Samuel Swan & Co. are authorized by the Legislature of that State. A lottery will be drawn every Saurdly troughout the year, all orders received leing filled in the drawing next to take place after the same comes to hand. Aerording to the scheme one ticket in everyten must draw a prize. Tickets are £10; halves, £5; quarters, £2.51. No tickets sent unless the mourty econographics the order. The drawings are up in the principle of one number on rather the same of the scheme one companies the order. The drawings for spirit should be in a single that some can fail to understand them. There is no conditation of numbers to middly the buyer. Prizes and four 3 for \$10 to \$6.1.671; every prize being drawn and resort of drawing forwarded to all per chaeses.

If T A list of the numbers that are drawing from \$50 to \$6.1.671.

and recht changes and the numbers that are drawn from the wheel, with the amount of the price that each one is entitled to, will be published after every drawing, in: the following gargers—Augusta (Gro.) Constitutionalist, New Orleans Belta, Malle Hegister, Charleston Standard, Nashville Gravite, Atlanta Intelligence, New York Weekly Bay Book, Savannah Morning News, Wichmond Dispatch, New York Dispatch and Faulding (Miss.) Clarion.

Yannan York Dispatch and Paulong Construction.
S. SWAN & Co., Augusta, Grounda, Prizes paid in full—no percentage deducted from prices as in other lutteries.
All communications strictly confidential.

Prizes paid in full—no percentage deducted from prizes as in other luteries.
All communications strictly confidential.

GRORGIA LOTTERITS.

THE lotteries of ASDERSON & SON, are chartered by the State of Georgia, and lane worm commissioners appointed by the State, to superintend their devantage, and certify that everything connected with the same is done in a strictly homerable nature, and that the interests of parties who reside at a distance are as well practed as if they themselves were present at the drawings. Another fact which the managers call attention to be that all persons have a legal right to send or ders for tickets to Georgia, as notteries are legalized by a sperial taw in that State. A lottery is drawn at Savannah, Gu., about the lotter is drawn at Savannah, Gu., about the lotter of the first drawingto take place after the communication conces to head. The prices of tickets are found to take place after the communication conces to hand. The prices of tickets are found to take place after the communication conces to hand. The prices of tickets are found to take place after the communication conces to hand. The prices of tickets are found to take place after the communication conces to hand. The prices of tickets are to a simple that more ran fail to understand them. The drawing arreport the principle of one number on each ticket and are so simple that more can fail to understand them. There is no combination of numbers, which has so mystified the community for years past. Prizes very in amount from 20 to 560,000. Every prize being drawn, and result of drawing, or other information, forwarded to all purchasers.

A list of the numbers that are drawn from the wheel, with the amount that care price is entitled to, will be published after every drawing, in the following papers; New Orleans Delta, Savannah Aries, New York Dipotal, and New York Attus.

Micro or Savannah, G.

Prizes are paid in fall; to per centage educted from prizes, as in other louteries. Alternoon and the price is a content of the prin

1 OPPERIES.—The well known Mary
1 And Consuldated Lotteries, of which it
1 Prance Co, are the managers, are chartered by the state of Maryland, and a commissioner elected by the people, who is sworn to
superintend and certify that everything connected with them is there in a strictly homorable
on mere and that the interests of parties who
reside at a distance are us well protected as if
they themselves were present at the drawing.
Another fact which the managers rall attention to, is, that allipersonshave a legal right
to send orders for tickets to Maryland, as
lotteries are legalized by special law in that
state. A lottery is drawn every day in the
month. If no particular class is named, orders
are filled in the first drawing to take place
after the communication comes. hand. The
prices of tickets vary from \$1,00 to \$20.—
No. tickets however, sent unless the monmoney for the same is received with the order.
The drawings are upon the principle of our
number on each ticket (after the Havana
plan), and Ternary combination. Prizes vary
in amount from \$20 to 100,000. Altorders for
tickets or packages will receive pruning aftertion, and the drawing mathed to all purclusers immediately after it sover. Address
